Strength and Stability Since 1927

As other banks come and go, Bank of Utica has been serving the Mohawk Valley for over 80 years with great rates and personal service.

Out-of-town banks can't possibly know their customers like we know ours. They certainly can't recognize and serve the needs of our local community like we can. How can they, when they are focused on a much larger geographical area?

Our staff is knowledgeable and professional. One-half of our employees have been with us for over 20 years, 75% over 10 years, unusual for a bank. You'll get to know us and we'll get to know you.

Because we focus on building relationships which transcend generations, you can be sure that we will be with you well into the future. When it comes to choosing a bank, there is no substitute for experience and local knowledge. That's why there's no substitute for Bank of Utica.
