WE'VE GOT THE RIGHT LOAN FOR YOU

If there's one thing we can all use, it's a little extra cash. Whether you want to buy a new car, take care of home improvements, plan a vacation, or buy a new home, we've got the right loan for you with competitive rates and a variety of repayment terms.

Cash in on your home's equity to give you the funds you need for major improvements or consider a home improvement loan for smaller repairs and updates. You can also get a personal loan that does not require any collateral and can be used for any reason such as a vacation or the latest in home electronics.

A convenient check credit account will give you access to a line of credit attached to your checking account. At any time, you can draw on your available line of credit simply by writing a check, using your debit card, or transferring funds using online banking.

For more information, call our Personal Banking Department at (315) 797-2700 ext. 264.
