## *Connecting with our Business Customers*

Our newsletter enclosed herewith each month with your statement helps us keep you in touch with what is happening at the bank. If you are a larger business account customer and your bank statement is not as a matter of routine seen by your CEO, CFO and/or owner(s), we would greatly appreciate it if you would each month pass these newsletters on to them so they can also be kept informed about items of interest regarding their bank. Thanks!

Bank of Utica is your local community bank, however we like to compete with the big boys (huge national banks) and strive to stay on top of the latest industry technological developments. We will soon be rolling out a new product for our personal account customers: MOBILE BANKING, or banking on your cell phone. As long as you are signed up for Bank of Utica's internet banking, no matter what kind of cell phone you have, you can:

- Check balances
- View transaction history
- Receive text account alerts

And if you have a phone with internet access or a "smart" phone, you can also:

- Transfer funds between accounts
- Pay bills from your mobile phone
