UTICA is an ORIGINAL

Bank of Utica is here because of Utica and our surrounding areas. We are proud to call Utica and the Mohawk Valley home and since 2010, we have been running a series of commercials specifically to promote the area— you may have seen them on TV. So many folks have told us they like the positive message they show about our community that we produced more. Look for our new series, “Utica is an Original” that will debut this month, featuring still more wonderful aspects about our community including:

- Family Businesses
- Our main thoroughfare, Genesee Street
- Our excellent air and water quality
- Unique architecture
- Low stress traffic commutes
- City spirit

The ads were produced by a top-notch local company, the Paige Group, also located in downtown Utica. We hope you enjoy them!
