Disability Accessible Entrance

Due to our building renovations, our Personal Banking Department has been moved to our main lobby and the front entrance to that department is now closed. During this period, if you need disability accessible services, you can use our drive-in teller or walk-up window located at the rear entrance of the bank. If additional services are needed that require access to the inside of the bank, our staff will make every effort to assist you in any way we can. Please remember that new accounts can be opened online or by phone. You can contact our Personal Banking Department at 315-797-2700 ext. 264. We appreciate your patience during this transition.
