## *A Reason to Celebrate*

### *Our Renovations are complete!*

Bank of Utica is proud to announce that our \$1 million plus rejuvenation project is complete. We want to thank you, our customers, for your patience and understanding during this project which strengthened our position at the geographical core of our Greater Utica community.

Our location is actually a conglomeration of four buildings, the oldest being over 150 years old. Like so many wonderful old downtown structures, ours were built like a rock, and with proper care, they will last another 150 years and more. We are the largest bank in Oneida County with our deposits, and we are now well positioned with our physical plant to serve our thousands of loyal customers going forward for at least another eighty-six years (we were founded in 1927 by my grandfather John J. Sinnott) as we have zero intention of ever selling out.

Tom E. Sinnott, President

*Happy New Year*

*We wish you and your family a happy and healthy 2014!*
