Get Financing For Whatever You Need Now

Along with our traditional products and modern remote services, we also offer loans for whenever you find yourself in need of a little extra cash.

With no collateral required, an unsecured personal loan can be a great tool to help you with things like debt consolidation, upcoming special events, new furniture purchases and even unplanned expenses.

- ▶ No tiered rates
- ▶ Regular fixed monthly payments
- ▶ Quick decisions made by local staff
- ▶ No penalty for early in-house payoff
- ▶ Discount offered for direct debit from a Bank of Utica Checking account

We also offer ***Check Credit***, a personal line of credit that gives you access to funds when you need them—up to an approved credit limit. Compare the interest rate on this line of credit to high rates you are paying on your credit cards and see how much you can save in interest charges.
